Spotlight on Schools: Bowling Green High School

Each regularly scheduled Board of Education meeting features a presentation highlighting one of the Bowling Green City Schools. The same school will showcase artwork in the district office for the remainder of the month. As part of the monthly video, Bowling Green High School shares how they celebrate success and continue a tradition of excellence.

BGISD Comprehensive District Improvement Plan Approved

Associate Superintendent Vicki Writsel presented the 2013 Comprehensive District Improvement Plan at the February Board of Education meeting, which is required to be reviewed and approved by the local school district and submitted each year to the Kentucky Department of Education. The document includes: a demographic description, vision and mission, participating stakeholders, the local community, including unique features and special challenges, accomplishments and recognition, student data, data-driven decision making, district challenges and plans to address them.

Tentative SBDM Allocations Approved

Director of Finance Jeff Herron presented the tentative staffing allocations for the 2013-14 school year. The final allocation will be approved on April 29, 2013. Allocations are based on enrollment projections from the current year, as well as a three-year average of kindergarten enrollment, district class size caps and 0% discretionary staff for schools. The tentative allocation includes a net loss of three positions across the district.

Construction Documents Approved

- BG-4 in the amount of $122,446 for demolition and new construction for new Dishman-McGinnis project.
- Change order #001 for site work and grading, a deduction in the amount of $1,500 pending Department of Education approval.
- Approve construction documents for W. R. McNeill Elementary addition and cafeteria/kitchen renovation, pending Department of Education approval. (Likely to bid in mid-April).
- Approve advertisement of bids for W. R. McNeill addition and cafeteria/kitchen renovation, pending Department of Education approval.
