TO: Parents, Students and Employees  
FROM: Bowling Green Independent School System  
DATE: August 5, 2015  
SUBJECT: AHERA Management Plan

---

We know that parents and staff are concerned about asbestos safety. We are happy to report that Bowling Green Jr. High, T.C. Cherry Elementary, Dishman McGinnis Elementary and Parker-Bennett-Curry Elementary have been thoroughly inspected and that there are no asbestos-containing building materials in any of them.

However, Kentucky and Federal law require that we notify you annually that we maintain an asbestos management plan for each building. The plans are available in the office of your school and at the Administrative Services Center. You are welcome to inspect and copy these plans during regular business hours. If you have any questions about our asbestos program, please call Rickey Shive, Asbestos Designated Person for the system at 270-746-2220.

The Bowling Green Independent School District provides equal educational and employment opportunities.
